Books about the Highlands.

THE NORTHERN HIGHLANDS IN THE NINETEENTH CENTURY.

By James Barron

3 Vols., 1880-1856. With Appendices and Index. £1 1/- net.

"One of the best epitomes of the kind ever published," is how the "Aberdeen Free Press" describes this work, while the "Scotsman," in a leading article, said it was "soundly instructive in point of fact, rich in raw material for the patient investigator, and unsurpassed for purposes of reference."

A HIGHLAND EDITOR: Memoirs and Selected Writings of James Barron.

By Evan M. Barron.

Vol. I., 5/- net.

"Great as is the merit of James Barron's work, judged as literature or as journalism," says the "Scotsman," it is for the breadth and sanity of outlook and for the nobility of character and the exalted purpose that shines through it all that it will be chiefly cherished and esteemed." "This volume will be treasured by the many admirers of an honourable and accomplished man," says the "Glasgow Herald."

THE SCOTTISH WAR OF INDEPENDENCE:

A Critical Study.

By Evan M. Barron.

16/- net.

This book is now regarded as the standard work on its subject "Learned, ingenious, written in a light, flowing style," says the "Nation," in a three-column review, "this criticism of the war, and exposition of the tenacious, heroic courage and endurance of a small, impoverished and proud nation, gives its author a high place in the new school of British historians," while the "Glasgow Herald" praises its "fresh and erudite analytical and critical narrative."

PRINCE CHARLIE'S PILOT.

By Evan M. Barron

5/- net.

"A vivid and arrestive narrative," says "The Oxford Magazine," "graphically and sympathetically told. . . . To every lover of the romantic flight of Prince Charlie and of the pathetic ending of a stirring but ill-starred undertaking it will be a welcome volume."
